

The Festival for Horse Lovers

1st – 4th August 2024

About Equifest

Now into its seventeenth year, Equifest is regarded as an unmissable date in the Equestrian Showing calendar. The show attracts over 2,000 competitors and their families each year and provides unique sponsorship opportunities from a wide ranging audience. The demographic of the show covers England, Scotland, Ireland and Wales.

In 2023, Equifest was held at Arena UK for the first time. Despite the best efforts of the British weather the show was extremely well supported and we are excited for the developments we have in store for 2024. In partnership with Arena UK, Equifest will continue to grow and remain the leading equestrian event of the summer.
